

Preliminary Trip Schedule for 2022-2023

Your Trip Committee is working hard to bring you another wonderful schedule of trips. Below is a preview. It includes a non-ski summer trip out west that is still in the works. Currently, it appears this summer adventure will be at Lake Tahoe. We also have 17 ski trips tentatively planned. Dates and destinations are firm for 8 of the ski trips (**bold blue text**). The rest are tentative (*gray italic text*) so dates or resorts may change. The plan is to have everything firm by late June. When the schedule is ready, we will start taking deposits and online registrations, tentatively opening registrations on June 23 at 6:00pm. Stay tuned. Watch your email for our newsletter and check our website frequently for club news.
