This Trip is Made for You!**

## THE TRIP

Join your trip leaders, Dave (25-40 at heart) and Brant (actually 25-40), for all the scenic adventures that Whitefish has in store for you! Whether you are an experienced skier or boarder, or prefer a more Après Ski-style trip, Whitefish has it all. The diverse mountain has plenty of runs for the life-long skiers and boarders looking for a challenge, as well as the first-timers and beginners looking to develop their skills. Best of all, you'll always have a built-in group of tripmates to ski and board with, regardless of your skill level.

Just south of Glacier National Park, Whitefish Resort offers all the charm of an intimate ski town, paired with the benefits of a robust downtown. After a day on the mountain (or at the spa) grab your partner, friends, or tripmates and walk from our conveniently located downtown hotel, the Firebrand, to enjoy all the food, drinks, and shopping downtown Whitefish has to offer.

There will be no shortage of people and opportunities to do your favorite mountain activities with, and no judgement if that's mostly Après Ski! So, round up your go-to trip buddies, or come solo and meet a new group of skiers and boarders to experience Whitefish with this February!
